Library Spotlight

Melanie Goldman, Elena Rosefeld, Ellen Kulick, and Marjorie Elwood from High Plains Library District have partnered with We are Water since 2020. They have helped us understand what type of exhibit experience their library patrons might enjoy, which has helped us to design the traveling exhibit. We'll be bringing the exhibit to one of their branch libraries, Carbon Valley Regional Library, in August to ask community members for their feedback before the exhibit travels to the Four Corners in 2022.

Thank you, High Plains Library District for being a great partner! We love working with you!
