Registration Coming Soon

Save the Date:
September 22-23, 2022 from 12-5pm EST

Join us for the virtual Accelerating Climate Capacity, Engagement, and Leadership Summit (ACCELS), convened by the CLEAN Network! For the first time, climate and energy literacy leaders will come together to share and learn, and to explore collaborations for the next year.

Keep an eye out, registration is coming soon!

[Summer Institute for Climate Change Education](#)

Climate Generation is working with NOAA's Climate Office and 12 regional cohort leaders across North America and the Pacific Islands to create an innovative, collaborative, and solutions-focused virtual Institute. We are excited to announce that CLEAN's Katie Boyd will be leading the North American Cohort on July 20th!

MID-ATLANTIC CLIMATE CHANGE EDUCATION CONVENING

[Mid-Atlantic Climate Change Education Convening](#)

This 1-day convening will bring together educators from across the Mid-Atlantic to discuss climate change education. Education and outreach happening throughout the region will be highlighted, hoping to inspire a community of educators.

This event is virtual and completely free! It will take place on Tuesday July 26, 2022, from 10am to 3:30pm EST.

Space is limited, [sign up now!](#)

[Stem for All Video Showcase](#)

CLEAN and partner, Mobile Climate Science Labs, won the Presenters' Choice and Facilitators' Choice awards during the STEM For All Video Showcase!
